1st and 3rd Thursdays of the Month, 7-9pm, Twentieth Century Club Basement. Public Event.

5. Next LAB craft event?

6. LAB and Delco Arts Week, Proposal to Kellie, 8/12/22

Proposal:

The Lansdowne Arts Board is planning a show to be a part of Delco Arts Week: October 1-9, 2022.

Where: 20*20 House, first floor

When: Opening, Saturday, October 1, 7-9pm, Open Sunday, October 2, 2022, during Lansdowne Arts on The Avenue Festival 12-6pm, other times to be determined.

Show: This show will feature small works (not to exceed 12") by Lansdowne residents and folks closely associated with Lansdowne.

The show will be curated by Erica Harney, Lansdowne Arts Board member (Biography:

<http://www.ericaharney.com/about.html>)

Thought Process: Since we are limited to the first floor and wanted to be as inclusive as possible, we thought of "small" artworks to show as many pieces as possible. We are also having this show to have as many events as possible during Delco Arts Week in Lansdowne.

7. Other events we should plan? Lansdowne Farmers Market Community Day? Tentative, September 24, 2022

8. Possible Public Art Project Discussion (some supplied ideas): <https://youtu.be/CBwpON6HIR8> and <https://www.boston25news.com/news/creating-stunning-public-art-utility-boxes-is-catching-area-communities/XQU3BJ7X7ZCHXLAAY3R5KWPRVQ/>

<https://www.socialworkdegreeguide.com/amazing-community-arts-projects/> or what is your idea?

9. 20*20 House ready for shows on the first floor Do we want to make a punch list of things we want to do to 20*20 House so it will look awesome when ready to open to the public? These would be items that the Board completes.

10. Review of Borough Approved Borough Budget (viewable only)
