COMMUNITY YMCA OF EASTERN DELAWARE COUNTY TO DISTRIBUTE 65,000+ POUNDS OF FREE FRESH FOOD 12.10 & 12.15

(Lansdowne, PA, December 8, 2020) – The Community YMCA of Eastern Delaware County is excited to announce two major Free Food Pop-Up events in collaboration with Blessings of Hope. The faith-based food distribution center, located in Lancaster County, serves 117 ministries from New York City to North Carolina. Blessings of Hope works with 40 food distributors nationwide. They receive a wide variety of fresh food and quality non-perishable groceries from trucks that carry extra pallets of a product, or a store rejects a product because the expiration date is too close. Through the Hands of Hope Food Box Program, volunteers pack 35 to 40 pounds of food into each box. An average family box would cost \$100 if items were purchased individually at the store.

The Lansdowne & Ridley YMCA locations will provide drive-thru, grab-and-go pick up spots to distribute the free boxes. Due to COVID restrictions, no more than 50 people may pick up at a time, to ensure proper social distancing throughout the space. Masks are required for pick up.
