

Help Tree Line Our Streets This Fall

Get a tree for your Lansdowne Property!

- Choice of small flowering trees or medium to large shade trees
- To register for a tree go to lansdowneborough.com
- Limited Quantities!

Things you need to know:

1. You pick the spot, within your yard within approximately 10 feet of any street.
2. You select the size, small, medium or large, when you register.
3. A certified arborist selects the tree type based on what thrives in this area and is appropriate for your location.
4. You must plant the tree within 2 days of receiving it.
5. You water the tree for the 1st year and enjoy all the benefits for years to come!

Trees are 6 to 10 feet tall and worth approximately \$250.00

Trees do a lot of good!

**Increased property value • Cleaner air and Water
Temperature control • Carbon sequestration
Flood control • Wildlife habitat**
