Rear Window with obstruction

Jeep-type Utility Vehicles & Vehicles with removable Tops

All applicants take note of the following information:

1. PA Motor Vehicle Code Sect. 3354a: Two-way Highways – except as otherwise provided in this section every vehicle standing or parked upon a highway, shall be positioned parallel to and with the right-hand wheels within 12 inches of the curb.
2. Lansdowne Borough Ordinance #1055 – Except while loading or unloading, or when rendering service to residents, or for contractors actually erecting or repairing buildings, no vehicle rated Class 3 or higher (7001 lbs registered gross weight) may park on Borough streets or on private property, in a residential area, in excess of one hour unless fully enclosed in a garage.
3. Lansdowne Borough Ordinance # 1049-601a: Every off-street parking space, whether located outdoors or within a garage, shall be on a paved, all weather hard surface. **(NO ON-LAWN PARKING)**
